# The Australian Fire Danger Rating System

**COMING SEPTEMBER 1**

## The Australian Fire Danger Ratings (AFDRS) levels are:

### **MODERATE**

Plan and prepare

### **HIGH**

Be ready to act

### **EXTREME**

Take action now to protect life and property

### **CATASTROPHIC**

For your survival, leave bushfire risk areas

The AFDRS will also introduce a new Fire Behaviour Index – a scale of fire danger that takes the latest in fire science and produces outputs across eight different fire behaviour models (compared to the existing two fire behaviour models). Providing fine detail, it will support decisions about fire preparedness and bushfire suppression.

The Australian Fire Danger Rating System (AFDRS) Program is redesigning the forecasting of fire by

- Improving the scientific accuracy behind fire danger predictions.
- Improving the way that fire danger is communicated.
- Providing government and industry with better decision-making tools.
- Reducing the costs associated with bushfire impacts.

For more information speak to:

Or visit: [www.afac.com.au/initiative/afdrs](http://www.afac.com.au/initiative/afdrs)

This is a national program funded by the Commonwealth and all the States and Territories and delivered by local implementation teams. The AFDRS is being coordinated by NSW RFS and AFAC (the National Council for Fire and Emergency Services), with support from the Bureau of Meteorology. A National Program Board, with representation from each of the State and Territories' fire agencies, is overseeing the program.

## SHIRE NOTES

### WORDS FROM THE CEO

Well the last month has been a busy one. The Shire had received the Australian Citizenship Ceremony for Mrs Michelle Jefferies. This was a lovely event where a large number of family members were in attendance to see her receive her Australian Citizenship from the Shire President, Cr Stephen Jefferies. If you are interested in becoming an Australian Citizen please refer to <https://immi.homeaffairs.gov.au/citizenship/become-a-citizen> for further details.

Shire President, Cr Jefferies, Cr Thomson and Cr Douglas and myself attended the celebration of 120 years for the Woodanilling Primary School. What an honour to see the dedication by the history representing the Woody PS, the history, passion and support that was shown on the day is one that truly represents Woodanilling as a whole. Resilient, passionate, community connectively and of course a strong focus on education for our children. It was lovely to see the numbers turn out to celebrate such a special occasion.

We were honoured to represent the Shire in such a lovely afternoon of celebration. Thank you to Principal Kelly Hogg and her team, along with the P & C and the school community who made it a memorable day. The children did a fabulous job with their history on the school.

### WORDS FROM THE CEO

A visit from Tidy Towns was held on 23rd September, with the judges visiting Kenmare Hall and the Woodanilling Townsite. Thanks go to Annabel Paulley, Kenmare Hall Committee, CWA Ladies, the Depot Staff and Sue Dowson, DCEO, along with Councillors Douglas, Smith and Brown who attended with the team to advocate our special town which is entrenched with full community spirit and passion. Fingers crossed that the hard work and connectivity with the Tidy Towns representatives will be enough to become a finalist for Tidy Towns 2022. Watch this space.

Finally, it was a pleasure to attend the Local Government Week at the Crown where our local Councillor Russel Thomson was awarded a Merit Award for his involvement in Local Government for 40 years of service. The work that Cr Thomson has accomplished over this time is one to celebrate, holding office for this period of time and representing the Shire as Shire President for 28 years. A celebration of this milestone will be conducted in early 2023 after harvest season.

As we are close to our October, Ordinary Council Meeting, this month it will be held at Kenmare Hall at 4pm. If you are wanting to attend this, please make contact with Sue at the Shire if you are interested in coming along.

Recent Maintenance and works on Roads in the Shire

Infrastructure works

The Shire Depot team have been very busy with preparing the townsite and road verges with spraying and slashing. Oxley Road Shoulder program has now been finalised. Further work is to be required to finalise the sealing on Oxley Road once the weather warms up.

Maintenance grading works have been in progress along Onslow Road down to the Mission Road with further grading along Onslow to River Road. Coben Soak Road required urgent works however further review on the conditions on this site is required due to the nature waterway within the area.

Works are to commence on Cornwall Road, along with Shoulder works along Robinson Road West. The Shire has grants pending on road works to be done along Newstead, Burt, Orchard and Douglas Roads.

We are continuing to work on most roads in the shire, however if you need to report any maintenance or issues for roads, please call the office on 98223 1506 or fill out the maintenance request form that can be sourced from <https://www.woodanilling.wa.gov.au/forms/maintenance-request-form/24>

### FIRE BREAK COMPLIANCE 2022

It's that time of year again and with the continual rain events property owners will need to remain diligent during prohibited period to keep their property fire safe.

Pursuant to Section 33 of the Bush Fire Act, 1954 you are required to observe all requirements of the Woodanilling Fire Break Notice. If you don't have a copy of this document please call into the Shire office and you will be provided with one.

During the period from 19th September to 15th April all property owners within the Shire of Woodanilling are required to follow the directions of the Woodanilling Fire Break Notice relating to your property zoning. If you are not sure about what zone your property comes under please call the Shire office 9823 1506 and the friendly staff will be happy to assist you.

The whole of shire inspection will take place after the 15th November 2021. Bushfire Brigade offices will complete the farming property inspections and the Town site including Whispering Winds will be inspected by The CBFCO, Central Brigade Captain and Shire Staff member. If you are unable to have your property compliance completed by this date you will need to contact the Shire Office and notify the Deputy CEO. You will need to provide a date by which it will be completed.

### TIDY TOWNS JUDGES VISIT WOODANILLING

It was a lovely sunny day when the judges visited Woodanilling on Friday 23 September to view the projects which Woodanilling has entered in this year's Tidy Towns Sustainable Communities Awards.

The two projects are:-

- Kenmare Hall 100th birthday party, repairs to the storm-damaged roof and connection to mains power. The Kenmare Hall was entered into 2 of the categories, Community Action & Wellbeing and Heritage & Culture for the 100 Year Celebrations.
- Woodanilling townsite was entered into the General Appearance Category for Beautification and enhancements including a new entry statement, banner poles, restored machinery displays, directional signs, gazebo at the railway precinct, planter boxes and street tree plantings.

Thank you to Kenmare Hall Committee members Lola and Frank Carter, and Sally and Mike Vermeulen for talking with the judges about the 100th birthday celebrations and the amazing effort made by many people to repair the storm damage to the roof just 5 days before party day! The judges were very impressed ..... and they also marvelled at the glorious yellow show which the Wilcox / Vermeulen canola crop put on in the paddock opposite the hall!

After enjoying a delicious lunch provided by the CWA ladies at the CWA Hall, the judges walked around the townsite in glorious sunshine to view the townsite enhancements, chaperoned by Cr Dale Douglas, Alex Douglas, Cr Bev Smith, Cr Tim Brown, Deputy CEO Sue Dowson and Annabel Paulley.

Keith Schurmann represented the Woodanilling Men's Shed and told the judges how he made the caricature horse to go with the cart bequeathed to Woodanilling by the late Dave Oxenbridge.

Thanks also to the following community members for their contribution to the judges' visit: Pauline Edgcumbe, Marj Winstanley and Mark Tarnowy.

The Keep Australia Beautiful Council will announce category finalists towards the end of October. Finalists will attend the State Awards Event at Frasers restaurant in King's Park, Perth on Friday 25 November 2022.

## From the Principal

### 120<sup>TH</sup> ANNIVERSARY

It has been a long time in the making (over a century, perhaps), and on Friday September 16, we got together as a school and a community to celebrate the 120th anniversary of Woodanilling Primary School. From all reports, it was a very enjoyable afternoon, with many families, ex-staff and students, and community members attending. We were even gifted with clear blue skies!

It is very special to consider the individual contributions of so many people that went into making the day a smooth and enjoyable occasion. Thank you to the members of the 120th Anniversary committee, the P&C and school families for working so hard to plan and deliver the day, from catering and memorabilia to history books and promotion, it was an impressive team effort. If you would like to support our P&C, there are 120th anniversary tea towels and can coolers available to order if you missed it on the day.

Thank you to our amazing students for their performances! The audience was very impressed with your efforts! Thank you to the classroom staff, Mrs. Jagers, Ms. Hannan, Miss Fidler and Chappy for supporting the student performances and assisting in setting up the event. Thank you to Mrs. Kippin and Mrs. Flugge for working behind the scenes in marketing and communicating the special event. Thank you to our gardener, Kaye, for having our school looking so lovely. Thank you to Pauline Edgecumbe for creating the photo frame, it is an impressive artwork that will be cherished for many years to come.

### LEARN, GROW, SUCCEED

At our 120th Anniversary celebrations, we announced our new school motto. It signifies the direction of the school moving forward whilst sustaining the current values of the school. The new motto will be gradually

worked into the school logo and marketing. Please see below the announcement that was made at the event.

While the passion for the school has been sustained over 120 years, the wider context in which it exists has changed significantly. The priorities of education reflect the priorities of the world it is in. This can be seen through the evolution of the school motto and its aligning vision. The overarching theme of our previous school mottos reflects the priority that is placed upon seeing students as individuals and providing education that meets them where they are.

The first school motto was "to each his own". It may have reflected the values of the time the school began, but was put up review at a P&C meeting on the 14th of August 1989.

The motto was then changed to "excellence through honesty". This motto reminds us that at Woodanilling Primary School, we align our actions with our values. If we act with integrity, people trust and respect us. These positive feelings from others and of ourselves then build our self-esteem, leading us to greater success in all areas of our lives.

Over the last few years, the motto has been discussed by the school community and the school council. The result of these discussions identified that it was a good motto, but the concept is a bit abstract for our early childhood context. Louise Schoonens, who was the Principal from 2017 to 2020, did a lot of work around this and surveyed the school community on the values we hold. Her work provided her a short list to work with and the new motto was refined from this list.

I am excited to announce that as a result of the contributions and work of the school, council and parent community, we will be adopting the new motto "learn, grow, succeed". This acknowledges that the ways in which we learn, the rate at which we grow,

## From the Classroom

Next term we will have a supermarket in our classroom so we can use our mathematical knowledge of addition and subtraction to purchase items and give change.

We will also be able to take on job roles in a supermarket such as cashier and we will learn to take turns.

We will also be looking at healthy living- ways we can be healthy and healthy foods.

In art we will explore and experiment with, the visual art elements of shape, colour, line, space and texture.

The aim is to develop artistic skills through experimentation with:

- shape (geometric shapes)
- colour (mixing primary colours to create secondary colours)
- line (broken, jagged, dashed) · space (background, foreground)
- texture (changes in texture; transfer of texture) to create artwork.

Have a safe and happy holidays

### BREAKFAST IDEAS

Children should eat a healthy, nutritious breakfast to give them the energy they need for the school day.

Breakfast is considered an important meal because it breaks the overnight fasting period, replenishes their supply of glucose and provides other essential nutrients to keep their energy levels up throughout the day.

Ideally, breakfast should include fruit or vegetables, a dairy product (or alternative) and a wholegrain product.

Here are some breakfast ideas:

- raisin bread or fruit loaf topped with ricotta cheese and fruit
- porridge made with milk and topped with berries or chopped banana
- fruit smoothies made with milk, yoghurt, soft fruit and wheatgerm or psyllium
- wholegrain muffin (topped with cheese and tomato) and a piece of fruit
- yoghurt topped with cereal and chopped or pureed fruit
- baked beans with wholegrain toast and a small glass of diluted fruit juice
- poached or scrambled eggs with toast and a glass of milk
- toast with avocado and a glass of milk
  - wholegrain toast, spread with a small amount of jam or honey and topped with sliced banana, and a small yoghurt tub
- if you're in a hurry, grab a piece of fruit, a cheese stick and some low-fat crackers.

## WOODY RANGERS HOCKEY

Rangers Mens B had a hard fought Grand Final vs Dumbleyung with Dumbleyung scoring the first 3 goals of the game. A goal each from Kurt Wise and Shaun Shackley in the second half clawed the score back for Woody. Unfortunately it wasn't quite enough to get the boys over the line, going down 2-3.

Great effort lads!!

Also congratulations to Jenna Fleay (Vermeulen) for winning MVP in Wagin's GF win in the Womens A Grade. Well done!!

Womens B grade, Upper School and Middle school all finished 3rd, after losing their preliminary finals.

J11 had another great season with plenty of positivity and team spirit finishing 7th.

Congratulations to all Woody Rangers players on a fantastic season on and off the field.

This was especially evident in 4/5 teams receiving the association Play By The Whistle award; "for outstanding behaviour demonstrated by the team, coach, manager and spectators. The game was played in the true spirit of hockey."

A really proud moment for our club, well done everyone!

Vice President: Steve Fitzpatrick 0410393296

Secretary: Rod Marshall 0437014941 (leave a message)

## **CWA NEWS**

Welcome to Spring - it has at last sprung! Our little cottage had its gardens tidied in readiness for the inspection last Friday. The judges strolled around after lunch and the town walk as part of Tidy Towns. Food preparation was very much the order of the week with funeral catering on Tuesday as well.

Our foray into book borrowing has seen a few comers but we need more . I asked for feedback as to time and day so if you are interested in reading, we have a reasonably eclectic mix AND some children's books too! It would be great to include coffee and cake - what better way to relax?

Invitations went out for our 100th celebratory afternoon tea but few responses have been forthcoming. If I missed you out as a past member, please forgive me but take note October 14th, 2.00p.m. at the cottage. Come along for a chat and reconnect with CWA.

## **WOODANILLING PLAY GROUP**

Playgroup meetings are held every Thursday at the Woodanilling Pavilion 9:30am. We currently have a Facebook messenger group for existing members to stay connected and a WHATS App Group. If you would like to enquire or join please contact Kahlia 0439 754 391 or Brooke 0437 313 060.

Alternatively visit the public Facebook page called Woodanilling Playgroup.

## **WOODANILLING COMMUNITY CHURCH**

For the people who would love to come to church, but love their Sunday morning sleep in. We are now having a church service at 3pm on the 3rd Sunday of every month.

Come and give praise to God and feel the holy spirit uplift your soul and take away your fears. There is magic happening in this church. We invite you to come and be apart of it.

## FREE COMMUNITY TRICK OR TREAT MAP

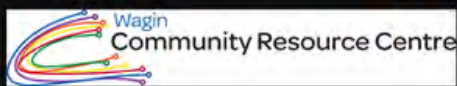

We're creating a map for the trick or treaters of Wagin so they know which houses will be getting into the Halloween spirit. If you will be decorating your house and are happy for trick or treaters to stop by please contact the CRC to register your address.

Contact us on 9861 1644 OR email us at admin@wagincrc.net.au to register your address to be included on the map.

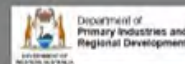

Cut off for registration is: Thursday 27th October

We will be holding a social event at the end of the trick or treat at the Eric Farrow Pavilion with the Wagin Police

Event will be held  
Monday 31st October

### Filling your feed gaps in Autumn & Spring

Thurs 13th October - 10.30am  
End of Johnson Road (Off Ballagin Rd)  
Wagin

#### About Feed 365 Wagin Demonstration Site

This large scale 3 year program looking at a number of different food options aims to quantify the benefits of varied species early sown fodder paddocks with respect to throughput, ewe condition, lambing percentage, ewe mortality and worm burden, with the goal of increasing enterprise profitability per hectare.

4 total pasture mixes along with 1 control regular paddock have being sown, will be grazed each year and will undergo improvements/management that is in line with regular farm operations, with the aim of determining which of the options proves to be the most profitable without incurring extra management time or cost.

The first grazing has recently been completed - this will be the first opportunity to see the site and follow its progress through the on-going 2 years.

- Volga vetch
- Elza serradella
- Cereal rye/Triticale
- Tabbra
- Sparnacus barley
- Margurita semadella (summer sown)
- Tetraploid rye grass
- Cereal rye/Triticale/Moby barley
