

COMMUNITY BUDGET SUBMISSION

The Shire of Woodanilling invites the Community to put forward requests that they wish to be considered by Council for incorporating into its Annual Budget for the forthcoming Financial Year. Requests can be for new or improved Shire assets or Services. They can also be made for Community Projects and Sponsorships that fall outside of the Shire's existing Community Financial Assistance Grant Program for community groups or Landcare grants for landowners.

Please note: Budget requests from the Community close on 21 April 2023.
