My name is Greg Smith, we purchased property in Woodanilling three and a half years ago after visiting friends here and really liking the town.

We found Woodanilling a friendly town, with a very relaxing atmosphere and having grown up in the country (Esperance) we thought Woodanilling would suit us very well in our retirement.

I worked as a paramedic in the goldfields for thirteen years and then moved to perth where i reverted back to my trade in the building industry,i ran my own business for nearly 30 years.

Woodanilling is a great place to live, and as a councillor i would like to work towards the ongoing promotion and development of the town and work with residents to help implement ideas and concerns that benefit our town.
