## 4. PUBLIC QUESTION TIME

Cr Douglas welcomed to Mr Baxter to the meeting and asked to present his questions to the Council.

**Public Question time commenced at 4.02pm.**

**Mr Ray Baxter, Woodanilling WA 6316**

### Question 1

#### **Flooding in Townsite**

I want to discuss the potential flooding in the townsite and when people are looking at purchasing properties, do we inform them of the possibility of this happening?

There are properties with caravans on them and they are building around them.

How will people be covered with insurance if they build in a floodplain?

#### **Response (Cr Douglas)**

*I will ask the CEO to respond to this question.*

#### **Response (Chief Executive Officer)**

*We use the current details that the Shire has on records, providing relevant details the shire is currently looking at the flood maps of the area.*

*When a property is being settled the shire provides information to the settlement agency to give to the prospective owners. Prospective Land owners should be doing their own due diligence including what insurance coverage they would required within areas of any land and buildings purchased.*

***Response (Cr Thomson)***

*The floods of 1955 the bridge was washed away and the floods of January 1982 the town flooded and the water was up to the top of the bridge*

***Response (Mike Hudson – Executive Manager Infrastructure)***

*All bridges are now set at a 100-year event height, we are just getting more 100-year flooding events happening within this timeframe*

**Question 2**

**Safety Concerns on Baxter Road**

The corner road near my place has had quite a few near misses with vision very limited. Is something going to be done about the trees?

I have in the past trimmed the branches and removed the grass and burnt it all, but now it's a hazard. When the seeder comes down the road it takes up the whole road even taking out the tree leaves on each side of the road if another vehicle come up then there would be problem.

***Response (Mike Hudson – Executive Manager Infrastructure)***

*We have a tree pruning schedule which will now be revisited with your concerns in mind.*

*This is part of the budget but we are currently in negotiations with local farmers to hire their loaders for gravel and this will then free up the Shire's one to do all of the tree pruning.*

**With no further questions, public question time concluded at 4.17pm**

**9. CONFIRMATION OF OTHER MEETING MINUTES:**

**9.1. BUSH FIRE ADVISORY COMMITTEE MEETING – 18 OCTOBER 2023**

*Projects must be completed in the financial year for which funding has been approved. Funds not expended by the end of the financial year in which they were approved, will be forfeited.*

This event is to be held on the 16th December 2023 so funds will be expended well before the end of the financial year. Any unspent funds will be reimbursed to the shire.

*Where financial assistance is approved by Council for projects that are dependent upon funding from an outside source and that funding application is unsuccessful or the level of financial assistance from an outside source has been reduced below that requested by an organisation, the organisation shall be required to demonstrate its ability to meet the funding shortfall.*

The P & C is not applying for or receiving funding money from any outside source. However, they have requested other Community Groups such as CWA, Playgroup and the Woodanilling Men’s Shed become involved in some form with the event. Along with the Woodanilling Central Bush Fire Brigade to assist with the arrival of Father Christmas from the North Pole.

*Council’s contribution is limited to 1/3 of the total project cost and may include the provision of materials, and loans of plant and equipment, calculated at private works rates, so long as the combination of the dollar value of the in-kind support plus financial contribution does not exceed 1/3 of the total project cost.*

The P & C have asked for the Shire to contribute to the costs of a Face Painter, Sea-Breeze Ice Creams. As well as help purchase new waterproof solar lights to the Christmas Tree. The P & C will be contributing more than half of the costs associated with this event as in kind contributions.

*50% of the approved grant will be paid on approval of the project and the balance following successful acquittal of the project.*

Council may consider payment in full prior to the event.

*Prior approval must be sort for any substantial change of proposal.*

#### **GOALS**

##### **Short Term**

### BRIEF SUMMARY

This item is prepared and presented to Council to endorse the budget amendment in support of the Australia Day Grant 2024 that the Shire has been successful in securing.

### BACKGROUND/COMMENT

The Australia Day Breakfast is a much-loved annual event and is a staple in the Woodanilling calendar. Each year the breakfast that Council hosts is attended by a large percentage of the community and is a prime opportunity to foster community engagement and co-operation.

The Shire Officers submitted an application for up to \$10,000 (excluding GST) through the National Australia Day Council. The Shires proposal includes the following activities:

- Breakfast prepared by Councillors
- Tug-o-War
- Music/entertainment
- Children's Water Slide
- Bouncy Castle
- Face painting
- Mr Whippy Ice-cream Van
- Community Awards

This has now been submitted and was accepted therefore requiring a budget variation to receive the income and expenses associated with the event. The Shire has now received confirmation that we were successful in this application and that 80% of the funds will be made available to us to cover the cost of the food, decorations, and entertainment for the event. With the following 20% paid to us once we provide the acquittal details after the event and before the 30<sup>th</sup> April 2024.

The Officers recommendation is to support this request.

### STATUTORY/LEGAL IMPLICATIONS

This request aligns to Section 6.8 of the *Local Government Act 1995*, which states:

#### **6.8. Expenditure from municipal fund not included in annual budget**

- (1) *A local government is not to incur expenditure from its municipal fund for an additional purpose except where the expenditure —*
- is incurred in a financial year before the adoption of the annual budget by the local government; or*
  - is authorised in advance by resolution\*;* or
  - is authorised in advance by the mayor or president in an emergency.*

\* Absolute majority required.
